## TECHNICAL STATEMENT

---

<b>Product Name(s)</b>	MetsäBoard Natural WKL Bright
<b>Production Site(s)</b>	Metsä Board Husum Sweden (Paperboard)
<b>Product Description</b>	Fully bleached uncoated white liner, also as fluting

## ARCHIVAL APPLICATIONS

---

This product grade has been tested for suitability of archival board in direct contact with documents\*. The results indicate that the product has good properties of inertness required for archival board.

This product complies with *SS-EN ISO 16245:2010, Information and documentation – Boxes made from cellulosic materials, for storage of paper and parchment documents – Type B*. To ensure this compliance, the product is tested as stated in *SS-EN ISO 9706:1994*. As paperboard has no standard for documentation, this standard for paper has been used for applicable parts as following:

- Tearing strength of this product is over the minimum stated in standard
- Alkali reserve of this product is over the minimum stated in standard
- Resistance to oxidation: Kappa number of this product does not fulfil the standard
- pH-value of this product is in the specified range (acid-free)

\*ISO 9706:1994 Information and documentation, Paper for documents, Requirements for permanence

\*ISO 16245:2010 Information and documentation – Boxes made from cellulosic materials, for storage of paper and parchment documents – Type B
